

Lesbian Mailing Lists

Below, there is a listing of women-only, sapphic, lesbian centred, or similarly defined mailing lists. The sapphic Internet is changing and evolving, so no guarantee is given for the information to be the latest one available. Please contact the suggested addresses in the entries below for more detailed up to date information. Please note that **only** mailing lists (where the discussions etc. take place through e-mail) will be listed, and only those mailing lists that are women-only, as there are other listings of queer mailing lists (see below).
